

Ladies, Gentlemen,

The *Club des Moucheurs EnDiablés* ([www.moucheursendiabls.com](http://www.moucheursendiabls.com)) thanks you for your interest in being a volunteer for the 6th FFC National Fly Fishing Championship and Conservation Symposium which will be held this year in Mont-Tremblant (Quebec). We are very proud to have been chosen by Fly Fishing Canada ([www.flyfishingcanada.net](http://www.flyfishingcanada.net)) as host for this year's event.

We, in Mont-Tremblant, have at our disposal an ecotourism park, Domaine Saint-Bernard ([www.domainesaintbernard.org](http://www.domainesaintbernard.org)) where the volunteers' headquarters will be located. The Grand Saint-Bernard Inn will be available for the volunteers' accommodation.

This service is offered free by the *Club des Moucheurs EnDiablés* to the volunteers. The arrival date is Tuesday, September 9, at 4:00 PM and the departure is Saturday morning, September 13. Please note that you might have to share a room. There are at your disposal a large kitchen, a dining room and a lounge. You must bring bedding or your sleeping bag, and your personal effects.

A box lunch will be offered while volunteering. Breakfast and dinner are not provided. You must therefore provide these meals. There is no restaurant or convenience store at Domaine Saint-Bernard. Mont-Tremblant is an international resort community and all services are located a short drive from your accommodations.

Volunteers are expected from Tuesday, September 9, 4:00 PM. Your attendance will be required from Wednesday, September 10 at 9:00 AM, to Saturday, September 13 at 12:00 PM, 2008. Wednesday will be devoted to training and visiting the competition waters. Thursday, Friday and Saturday morning are competition days.

For the smooth running of the event, preference will be given to volunteers who may be present during the 4 days of the competition.

Volunteers interested will be free to fish on their arrival Tuesday, evenings and Saturday afternoon after the competition sessions. The river is a 20-minute walk from your accommodations, and offers great fishing. All you will need is a valid fishing permit.

Your involvement and your participation is a guarantee of success for this event. We count on you.

We will contact you later with more information. Until then, please complete the following form:
